SUMMARY

Allocating time for me to acclimate to the workplace and its technology frameworks is a valuable investment. I'm a seasoned UI/UX designer and full-stack developer, skilled in crafting eye-catching and intuitive interfaces. My expertise bridges the gap between design concepts and coding, and I consistently adhere to agile development practices.

CORE SKILLS

TypeScript
Javascript
NodeJS

React, NextJS Framework
Angular Framework
Ionic Framework

Tailwind CSS
Bubble.io
Firebase
